COVID-19 Measures 20/21

LET'S PLAY SAFE TOGETHER

We have updated our Health and Safety measures to ensure that our staff, clients and venues are working within the relevant guidelines

BEFORE YOUR EVENT

HEALTH CHECK - All staff will complete a daily 'check in' form prior to starting work, their temperature will be taken along with signing to confirm they have no COVID symptoms. This document will be available upon request.

MINIMISE TEAM MEMBERS - Ensuring minimal installation crew to safely install games

EXPANDED SANITISATION - All games fully sanitised prior to leaving our despatch warehouse. All games will be fully sanitised again prior to client handover and event 'live'

SOCIAL DISTANCING - Minimising person to person contact during installations, protecting venue staff, guests and installation team

PPE - Along with our standard PPE, all installation team members will wear masks and gloves

VENUE FLOOR PLAN - Our experienced team will advise on floor plan of games positioning, ensuring that we adhere to social distancing measures if required

LET'S PLAY SAFE TOGETHER

In addition to our own health and safety measures, we understand the need for players to feel safe too.

DURING YOUR EVENT

DEDICATED ON-SITE TEAM MEMBER - If required we can supply a dedicated staff member to manage the social distancing and antibacterial wipe down games between each use. This staff member will wear face mask and gloves

PLAY SAFE - 'How to use' signage, our creative team can provide artwork to ensure players know how to use games safely.

HAND SANITISATION STATIONS - can be positioned next to each game, these can be customised/branded to suit your venue or event

SOCIAL DISTANCING SIGNAGE - Physical and print solutions to allow games to be used and adhere to social distancing. Please note this would be specific to each event/venue, guest numbers and venue layout. Our creative team will find a solution to your social distancing requirements

LET'S PLAY SAFE TOGETHER

We know you'll have a brilliant time with our games, we always bring the fun. However, if there are any significant changes to the guidelines which might stop this from happening our experienced team will advise and find a solution, we've got COVID-19 covered.
